SUMMARY

I am a Frontend Developer who graduated in June 2024, with an eye for design and cool websites.

Now I am looking for new challenges where I can contribute to your organization and grow as a person in my career.

Please do contact me if you want to know more!

WORK EXPERIENCE

Web Developer & Digital Marketing/LIA- internship (Aug. 2023 – June 2024)

Just Value AB

Mainly working with administration and development of different customers WordPress sites, mostly doing technical SEO configurations. My job here has resulted in several high rankings on Google for several client's websites.

Office365 Developer (Oct. 2019 – Feb. 2020)

Enfo AB

As an in-house developer, I was mostly involved in developing apps for SharePoint.

Personal Assistant (2013 – present)

Evviva AB

Looking after a person with autism and who requires supervision around the clock. This experience has taught me a lot about communication with different people and taking on huge responsibilities.
